**N** EWS FROM  
THE PARISH COUNCIL

The council didn't meet in August and our last meeting was in July after Outreach had gone to press. The main purpose of the meeting was to agree our response to the 'targeted consultation' on amendments to the proposed boundaries of the Botley West site. We noted that far from pushing back the boundaries to reduce the visual intrusion, as we had asked for in our earlier submission, the developers now want to make the site area larger, and create internal access routes for maintenance purposes. Included in their

proposals is the use of Dornford Lane as one of the access routes for maintenance. The council was very disturbed by the proposals and a copy of our detailed response is available on our website:

[www.woottonparishcouncil.com](http://www.woottonparishcouncil.com)  
Aside from Botley West, concerns were raised at the meeting about reduced visibility at road junctions caused by overgrown vegetation. The situation at the Rousham road/ B4027 junction was felt to be especially dangerous. While cutting verges for road safety reasons is primarily the responsibility of the county council, the PC stepped in as an emergency to cut back the undergrowth at this location.

Residents of Castle Road will be aware that we still have a real problem with the general verge maintenance. The council is very sorry that our contractor has still not visited the village to cut it back. We are looking hard at trying to bring in another contractor, but it is almost impossible to find one willing to take on the work. There seems to be much more work available overall than there are contractors available to do it, with the result that contractors choose the easiest and most profitable options. Meanwhile we are grateful to those local residents who have looked after the grass areas immediately outside their houses. The next meeting of the Parish Council will be on Monday 2 September at 7.30. If you have items you would like raised at the meeting then please email our Clerk: Cathy Fleet on [clerkwpc0@gmail.com](mailto:clerkwpc0@gmail.com)

## ***Pineapples and pizzas***

Last summer we bought the latest must-have gadget for a perfect summer – a wood-fired pizza oven. Excellent, we thought. Here's to

some long balmy evenings outside, with the teenagers joining us in making lovingly hand-crafted pizzas while we eat, chat and relax together.

Hmmm. Not so much. It has taken us a good year to get to grips with the whole process. We've learned quite a bit about pizza-making, and ourselves, along the way. Here are some of the (many) things we have learned:

- ◆ Don't ask friends around for pizza on the evening of your pizza oven's maiden run. Things will go wrong, and it will be embarrassing (especially if one of your friends is Italian).
- ◆ Be generous with the sprinkling of polenta on your peel before you lay on your pizza dough. (That's a sentence I never thought I'd use.)
- ◆ It turns out that a pizza can be too thin, and too crispy.
- ◆ Stuffed crust?! No.
- ◆ A glass of rosé makes it all a bit easier.
- ◆ Get it right, and you'll make the best pizza you'll ever taste.
- ◆ If not, [Brothertons](#) in Woodstock have delicious pizzas. You'll find some excellent pizza toppings in **Wootton Stores** – including mushrooms, salami, prosciutto, mozzarella, cheddar, olives. There is even pineapple if you consider that a pizza topping. And frozen pizzas!

## WOOTTON VILLAGE HALL TALKS

Our guest at 7.30pm on Friday October 11th is Professor Angela Gallop, one of the world's leading forensic scientists. Her findings helped solve notorious cases such as the killings of Stephen Lawrence, Rachel Nickell, Roberto Calvi, Lynette White, Damilola Taylor and Gareth Williams. She also took part in the investigation of the death of Diana, Princess of Wales, finding no evidence to support theories of a conspiracy.

In 1991, Angela was hired to re-examine the evidence on the apparent hanging-suicide at Blackfriars Bridge of Italian banker,

Roberto Calvi. She had gained a reputation for unconventional methods and conducted experiments with her husband, who shared Calvi's proportions - proving that Calvi could not have hanged himself and that he was murdered.

In 2010, Angela helped found Axiom International, which provides forensic and related advice to law enforcement agencies worldwide - and she subsequently worked in Libya, Iraq, Somaliland and Kosovo. Angela was played by Nancy Carroll in the 2021 series, called Stephen, a drama following the fight for justice for Stephen Lawrence. She was also a guest on Desert Island Discs in October 2022.

Entry is £10 in cash - and includes free food. Wine and soft drinks are available for a modest donation.

(Children over 16 welcome), but cards can be used to buy speakers' books. To reserve seats, please contact us through our website [www.woottontalks.co.uk](http://www.woottontalks.co.uk)

- ALL PROCEEDS TO THE UKRAINE HUMANITARIAN APPEAL

(The latest film on Indian tigers by [Mike Birkhead](#), who he has spoken twice in Wootton, aired on BBC Two on August 17th to great acclaim. Called My Tiger family, it told the story of how the tiger population of Rajasthan Ranthambore Fort was once on the verge of being poached out of extinction - but is now thriving, thanks to humans)

Would someone you know benefit from WITNEY TALKING NEWS? A free audio local news service for the visually impaired, Witney Talking News was founded in 1979 by Peter [Brading](https://www.witneyroundtable.org.uk) with the help of Witney Round Table. A group of volunteers records a one-hour session each week of items in local media. USB memory sticks are then posted to listeners to be played on a free, easy-to-use playback unit. Most of the clients live in or close to Witney but as the memory sticks are sent free through the post there's no effective limit. The service is also available to people who have difficulty holding newspapers. Readings are from the Witney Gazette, which often carries articles from further afield, the Chipping Norton News and Thames Valley Police Alerts online. The weekly broadcasts also include local sport, a quiz and a short reflections item. Access can also be made by ringing 01993 555986, though the call would be charged at BT rates. ## QUIZ NIGHT

We had an excellent turnout, for the August quiz despite the lovely sunshine, for another excellent quiz from Nicholas and Didier. The special rounds were on map signs and wedding anniversaries, and regular questions from Strictly to Panama Hats and Michael Howard to Amoebas.

A smattering for American questions helped the Oaties to a strong first half, but at full time, the One Legged Sprinters were third, one point behind the Desperadoes. Winners were the Pickled Olympians. Congrats to all. A special mention for creative team

names goes to "Gold Silver and Ginger".

No quiz in September due to flower show.

So next quiz is OCTOBER 13TH, Martin Eastaugh in charge.

Then we will meet again on November 10th and December 8th. All at 7pm, in the Killi. All welcome!

*Phil Parker*

## PARROTT & LEE EDUCATIONAL FOUNDATION

The Parrott & Lee Educational Foundation (one of Wootton's registered charities) offers grants to young people completing secondary education. The purpose

of the grants, which are usually of around £300 a year, is to help local young people embark on a career. Grants may be used to help towards college course fees, apprenticeships, maintenance, travelling, or specialist equipment. Grants are also given for those going to university. Applicants must (i) be under 25, and (ii) be either former pupils of Wootton School and/or resident in the historic parish of Wootton (which I'm afraid excludes Glympton or Kiddington). More details are on the application forms available from Wootton Stores. Applications will be considered at the next meeting of the Trustees in October.

## HEATRE AND COMEDY IN OUR WOOTTON

Back in July we welcomed The Three Inch Fools to Wootton for a wonderful rendition of their version of The Comedy of Errors. A fantastic time was had by all with songs and laughs aplenty. For the final count just shy of 200 people gathered on the Memorial Playing Fields for a wonderful afternoon of sunshine and theatre.

Not only was there entertainment but also plenty to eat and drink! Wootton Pop-up Tea Room brought mountains of gorgeous cakes, WCAST provided plenty of delicious drinks, a spot-on Pimms tent from the Village Hall, and then finally a gourmet burger van topped it all off.

The organisation was a fantastic team effort from across the village and special thanks goes to all the people who provided accommodation and food for the troupe of actors that night. The feedback has been

wonderful and we're hoping to get them back next summer for a new show.

Coming soon we've got Wootton Session on 28th September – a fantastic night of up-and-coming musical talent. Then on October 5th it's the much-anticipated return of our comedy night with our headliner Ada Campe! Tickets for both are available from Eventbrite and Wootton Stores. Get them before they sell out...

# WOOTTON NEIGHBOURHOOD PLAN

The Wootton Neighbourhood Plan steering group is continuing work towards getting a comprehensive view of opinions in Wootton on aspects of buildings, landscape and infrastructure to create the plan. During the Flower Show on Sept 7th there will be people circulating with short questionnaires. This is a pilot to ensure we cover the most relevant subjects in the final survey.

We would be very pleased if everyone would participate if asked and also visit the stand we will have set up to view more information, including maps of potential new footpath routes. We are particularly grateful for the help and generosity of the following organisations, who have chosen Wootton as an important rural area to carry out their training and research.
